

**CORNER BROOK PULP & PAPER LIMITED  
FIVE YEAR OPERATING PLAN**

**FMD:** 15 **Plan Period:** Jan 1,2014 - Dec 31, 2018  
**Operating Area:** Corner Brook Lake West **Inventory Map #:** 070, 071, 082  
**Harvest Area #:** K-15-54 **NTS Map #:** 12A13,12B09, 12B16

**Forest Inventory**

**Gross**

Volume: 506,463 m3  
Area: 4,677 ha

**Net**

Volume: 415,300 m3  
Area: 3,835 ha

**Working Group**

bF: 90 %  
bS: 10 %

**Operational Considerations:**

Harvest System: Mechanical, Conventional

Terrain Conditions: Hilly terrain with steep slopes, shallow to deep topsoil over mineral soil. The merchantable forest is broken up by bog, scrub and areas of Hardwood.

**Other Considerations and Mitigations:**

This operating area is partially contained inside the Protected Water Supply for the Town of Corner Brook. Forestry activities will conform with the Environmental Protection Guidelines related to operations within Protected Water Supply Areas.

Consultation with the Department of Environment and Conservation - Wildlife Division and Parks and Natural Areas, has resulted in the design of Pine Marten Deferred Harvest Zones. These Zones are removed from the harvest schedule for the life of this Five Year Plan and will allow animal mitigation throughout the District. These deferred harvest zones will be re-evaluated during the next Five Year Plan consultations.

Consultation was held with all Outfitters in Fmd 15. Harvest and road plans were presented to each Outfitter for review. Responses from individual Outfitter's were dealt with and alterations (if required) were made to the Plan.

A landscape design project during the last Five Year Plan produced a series of no harvest zones along the TCH between Georges Lake and Corner Brook. These no harvest zones (with a few minor adjustments) will be extended to the new Five Year Plan for 2014 - 2018.

Corner Brook Pulp and Paper Woodlands developed a Sustainable Forest Management Plan as part of our registration to the ISO 14001, CSA Z809 and FSC National Boreal standards. For further information on the SFM plan visit our website @ <http://www.cbppl.com/>.
